A Passion for Precision | A Labor of Love

Our Story

JB Star is about passion, dedication and striving for excellence. The history of JB Star began in 1946 when Rafael's father became one of the largest manufacturers of loose diamonds in Israel. With over 60 years of experience, Rafael's father's traditions poured into the heart and soul of Rafael. The passion for creating romance and creating dreams began in 1979 when JB Star was founded.

Every JB Star creation is hand made using only platinum, 18kt yellow and pink gold. The quality of the stones is another aspect where JB Star will not compromise.

"Beautifully crafted jewelry is forever. It is a gift that will be handed down from one generation to another." Experience the pleasure of wearing the most unique creations designed for the most symbolic moments of love. JB Star ... Cherished for Life.

JB Star Jewelry...proudly designed and manufactured one piece at a time in the USA.
